Discount type

Percentage discount

Always use percentage discount..since you're expected to make a 30-40% profit, that's a solid guideline to make sure you're not giving too much profit away - dollar discounts can be dangerous for your bottom line

Usage restriction

Coupon amount

32.5

This is your maximum allowable percentage discount - coupons programmed higher than this will reverse

Usage limits

Allow free shipping

Check this box if the coupon grants free shipping. A [free shipping method](#) must be enabled in your shipping zone and be set to require "a valid free shipping coupon" (see the "Free Shipping Requires" setting).

Coupon expiry date

2026-12-31

An expiry date is always recommended, just in case your high value coupon falls into the wrong hands. Can be changed or extended by you at any time
